

HANDRAIL BRACKET KIT

No longer do you have to struggle attaching handrails to posts, Deck-Tite®'s Handrail Bracket Kit makes it simple, whether you want a hidden fix or a quicker semi-hidden fix it does the job perfectly. Net-Coat™ Green plated for outdoor use and complete with Net-Coat™ Green plated fixing screws, this is the answer to rail-to-post fixing or any other exterior angle fixing.

✦ Each kit contains 12 brackets, 24 of 4 x 25mm & 24 of 4 x 40mm cross recess countersunk screws

DECKING MADE EASY THE ULTIMATE OUTDOOR BRACKET

• HANDRAILS • FENCING • TREATED TIMBER • AND MANY MORE

Application

- For a flush fit, screw bracket to deck post using the 40mm screws.
- Lower the handrail onto the bracket & attach with the 25mm screws.
- Alternatively turn bracket through 180° and screw to post and handrail.
- If the rail is rebated then in most circumstances the bracket will fit with a neat flush fix.
